

Delando Newsletter – June 2021

Hello Everyone,

Welcome to the new and colourful Delando Newsletter. The new Newsletter will be sent out each month and will include our weekend activities, holidays, events and general Delando news. We would like this to be an inclusive and interactive relationship, so if you have any ideas, please contact Bec or Deb at the office.

We want to celebrate the lives and achievements of everyone associated with Delando. We are pleased and proud that we have had two groups at the University undertaking a Horticultural Course, adding to their knowledge and developing new skills. Well done to everyone. Thanks to Erin and the Central Coast Community College for support and training expertise.

In September last year we established the Delando Grounds and Garden Maintenance business; this enterprise creates opportunities for the supported employees at the Newcastle University to have increased prospects and increased interactions with the community. If you are seeking a team to do your lawns and garden, please give us a call on 49681969

Shelly

Congratulations goes to David Wood, Matthew Williams, Gary Boswell, Tristan Hofbauer, Jacob Longworth-Pascalini, Ray Paterson, Steven Ranger, Bridget Blackmore, Tony Brown and Priscilla Moffat (Absent)

Question: What did you think of the gold coast holiday?

- This was my first time on holidays without my parents
- Delando staff were helpful, supportive, fun, understanding and patient.
- I would definitely go away on holidays with Delando again.

SUPPORTED HOLIDAYS

■ KINGS CREEK – AUGUST

Weekend away in Krumbach to relax and enjoy the quiet bush setting, playing chess, swimming and of course feeding the farm animals.

Community News

This month we have welcomed new clients to Delando through Employment, Day Programs and 1:1 Community Supports.

Delando is delighted to have the opportunity to welcome new people to our service. Even more so, when we have been recommended by other clients who are currently using our services. Word of mouth is that we are providing a great service, that is person centred, unique and our staff are supportive and professional.

Delando has just returned from a supported holiday on the Gold Coast. As I write this, there is currently another group of men on the Gold Coast enjoying the fantastic weather and many activities on offer.

Supported holidays provide an amazing opportunity to experience something new. Travelling interstate without family or flying for the first time can be a challenge for anyone. Not to mention stepping onto that wild ride at the amusement parks. Delando is making holiday dreams become possible. Vera

WELCOME

to the new staff at Delando
