

Delando Newsletter - July 2021

We had our Biggest Morning Tea on 27th of May and raised \$180 🙌📦
Thanks to the wonderful people at our day program, and a special thanks to Helena for her leadership!

2021 HUNTER DISABILITY EXPO

Steve, Business Development and supported Employment Manager (left)
Helena, Team Leader New Focus Day Program (right)

Celebrating 70 years in Newcastle and the Hunter last year, Delando is proud to showcase our tailored programs and services and our continued work with the local community

Brendon (left) with Liam at the Laundry

Meet Brendon!

Brendon is our new team leader at the Laundry at Cardiff. The Laundry is part of our supported employee program which assists people to access suitable employment. Brendon is also a familiar face on the weekend activities.

Meet James!

James and his keyboard will be holding group music sessions every Wednesday afternoon in New Focus. We will be singing, dancing and playing instruments. Come along and join in the fun!

One on One music lessons available

Cost of Movie is \$20

Meals Start at \$20

RSVP – Friday 9th July

Hi everyone,

The Board of Directors and I, with the support of our very competent consultant are currently completing the finishing touches on the Delando Strategic Plan.

While we are still in a revitalisation phase, we are taking significant steps forward, towards Delando having a confident and sustained future.

Once the plan is completed, we will share our organisational goals and the pathway to achieving them.

We are renovating – again.

In 2019 we completed an extensive renovation of the main Delando building, significantly upgrading the toilets, kitchen and communal areas. This was a great success, so in 2021, we are at it again.

We have successfully secured a grant from the NSW Crown Reserves Improvement Fund to upgrade the very large and very neglected back shed.

In the next few months, we are hoping to begin the “Delando Shed” where we will offer learning opportunities in woodwork and in the future clay and pottery classes. We know that participating in the community is great for people who want to do that. We also know that for some people they want to hangout where it is quieter and be with their friends; hence the creation of the Delando shed – **a place to be you, a place to renew and a place to create.**

We will be offering small groups or one on one sessions; it will be negotiated with the person or people who are interested. Safety will be a big focus, with Steve Curran our WHS manager working with the team to ensure everyone is safe. 😊

More news to come on this topic!

Enjoy

Shelly
